Re: 1st European Clubteams Cup

Dear President,

As you know EMAU Council introduced a new competition in the European calendar: the European Clubteams Cup. This first edition will take place in Moliet (France) on 12, 13, 14 September 2008.

This new competition will be held each year and it is organized on the principle of outdoor target archery and it is reserved to archers shooting with recurve bows. It is a team competition and each Club team is composed of 3 archers.

Each country can participate with a maximum of 3 men clubteams and 3 women clubteams. Your Federation is not really involved in the organization, but only you must confirm that the clubteam athletes are members of the participating club as per the 1st January of this year, and you must confirm that the athletes of the Club have the same nationality of the Federation of which the Club is member.

Attached I send you the Rules, the program and the entry forms, and I would like to ask you to inform your National Clubs and to publish this news in your website.

Please, take note that the Clubs must send their entries within the end of May.

For all information the Clubs can contact the organizer of the competition, Mr Jean Boucau (jjboucau@free.fr) or the EMAU Technical Delegate, Mr. Patrick Lebeau, (p.lebeau@ffta.fr). From February information about the event can be found on the competition website: www.1steuropean-clubteamscup.fr

Yours sincerely

Marinella Piscioti
Secretary General
