Berlin, 11th November 2010

## Archery Federation of Austria

### Invitation

Dear Mr. President,

The sports clubs Bogensportförderverein BB e.V. and SG Bergmann Borsig e.V. with its successful archers carry out their first **International Archery Meeting** the “**Berlin OPEN**” from 17<sup>th</sup> to 19<sup>th</sup> December 2010. We expect exiting competitions and look forward to an interesting meeting out of high-performance and mass sports. In the name of the executive board I would like to welcome you warmly to this tournament.

For realization we found renowned partners to make this event happen.

This might be our first archery tournament of this kind but our organizers in charge will put all their effort in to make it an unforgettable sports event which is also be planned to become an annual highlight.

Anyway, Berlin is worth a journey especially in the pre-Christmas season. For this reason I would be delighted with your large attendance. I look forward to welcome your archers personally in December very much.

Please take further information to "Berlin OPEN" from our web page under [www.berlin-archery.de](http://www.berlin-archery.de). It would be great, if you give this information for the archery clubs in your federation.

Yours sincerely

Alfred Grzondziel  
Chairman Bogensportförderverein BB e.V.
