Hit the target!
All in the Gold!

Addendum to the Invitation on behalf of Archery Austria:

Accepting the conditions of the anti-doping agreement is an eligibility requirement to participate in the event.

Doping tests (including alcohol checks) can be undertaken at WA registered tournaments by the NADA (so-called „Gästeklasse“ excepted).

Please read the information given at the Website of Archery Austria <http://www.oebstv.com/anti-doping> or at www.nada.at.

However, it is the archer's responsibility to adhere to the anti-doping agreements. All penalty fees which may follow a positive doping-test have to be taken over by the athlete.
